Character Analysis and The Crucible

The Crucible Discussion Questions. What is the state of the community at the beginning of the play, as the play progresses and at the end of the play? How are insiders and outsiders defined during these times? What elements existed or were created within the community to allow Abigail and the other girls to gain power?

The Crucible Discussion Questions | Chicago Public Library

- a crucible: a container used for melting metals, withstand very high temperatures - anything in the crucible (even strongest) can be melted in a high enough temperature - metals in the crucible typically cave in on themselves, Miller is saying that it doesn't take much for a society to dissolve/collapse in on itself.

The Crucible - Arthur Miller (Study Guide) Flashcards ...

The Crucible Worksheets Even though we have been teaching The Crucible for over 25 years, high school students still surprise us with unique interpretations and answers to the following questions. Consequently, the answers would be too varied to list. It is our philosophy that teachers should allow maximum latitude to student responses as long as they are accompanied by evidence from the text.
