HKS700E Installation Manual

The HKS 700E four-stroke engine is in its fifth year of production; the engine is now flying in hundreds of Light aircraft, PPC's and Trikes around the world. The HKS 700E is a 60HP, horizontally opposed two cylinder four-stroke engine. The 700E uses a combination of technology and simplicity to achieve the twin goals of high power output and reliability. The HKS 700T is an 80hp Turbocharged ...

HKS Aviation Engines

HKS 700E engines from serial number 101105 and above meet ASTM standard 2339-05, which governs the design and manufacture of reciprocating engines for light-sport aircraft. Compliance with the ASTM standard means the aircraft is applicable for use on special or experimental light-sport aircraft (S-LSA or E-LSA). The company's owner's manual disclaimer states: WARNING! This is a non-certified ...

HKS 700E - Wikipedia

Since 1996, HKS was in the aviation business. In that year, we developed the "A700E" which is OHV 4 valve flat-twin engine for Ultra-Light Plane. Our high and safe quality engine development skill in automobile made us to challenge in the airplane engine development. As a total tuning company, we make a complete engine from electronic control device, supercharger, intake, to exhaust and etc ...
