Dan , the reason I love painting is the whole learning process. There is sooo much to learn and you're a gifted teacher. I have tried every medium but mostly use acrylics. The oil painting I did, took too much time to dry. I love watercolors and have done pastels as well. Pastels are great but pricey if you want a good set.

is a time-lapse demonstration, but the artist describes what she's doing as you watch. The video includes a section on mixing color, applying the paint to canvas, and blending.

### Learn How to Paint in Oil with the Best Oil Painting Video ...

To get started, all you'll need is a primary color palette—red, yellow, and blue paint tubes. Add a tube of white if you're working in an opaque medium, such as oil, acrylic, or gouache. With these colors, you can learn to mix a version of every other color that you need: greens, purples, oranges, browns, greys, and blacks. Using a limited number of pigments will allow you to focus on paint application, rather than continually hunting for the perfect tube of color as you paint.
