(Literal example) Next of kin has been informed and is supporting in the investigation, according to police. The government has declared the reward money to next of kin of soldier killed. Police is trying to contact the next of kin of the victim.

next of kin meaning, definition, examples, origin, synonyms

A person's next of kin is that person's closest living blood relative or relatives. Some countries, such as the United States, have a legal definition of "next of kin". In other countries, such as the United Kingdom, "next of kin" may have no legal definition and may not necessarily refer to blood relatives at all. In some legal systems, rights regarding inheritance flow to the closest relative, usually a child, a parent or a sibling. However, there are people without any close adult relatives a
