The Chasm Of Fire A

The Chasm of Fire is a dungeon located in the north-west corner of Shayzien, housing a variety of demons. All of the demons can only be killed while on a slayer task . A dwarf multicannon can be used in the chasm, although it is not a multi-combat area. At the bottom floor are several burnt bone and fire rune spawns.

[Suggestion] Change the location of the Chasm of Fire With the new slayer dungeons coming, one is going to be the Chasm of fire, a Demon Hive. They plan to put it just south of the Lizardmen canyon, but I think it would fit much much better near the Blood altar.

[Suggestion] Change the location of the Chasm of Fire ...
